

OFFSET PRODUCTION

ROCKFORD - DELIVERING GLOBAL EXCELLENCE BY DESIGN

Helping you meet your offset obligation with in-country manufacturing provided by our affiliate company in the UAE. All foreign defence contractors who received over \$10 million worth of contracts from the U.A.E. over a consecutive five-year period will incur an offset “obligation” amounting to 60% of the total value of those contracts. We can help!

ROCKFORD.CO.UK

ROCKFORD

WHO WE ARE

Rockford is the UK's largest independent provider of wiring, interconnect & system solutions for the aerospace, defence and industrial markets.

Rockford-Xellerix LLC is a fully compliant Emirati entity with the required 51% ownership by an Emirati National. This is in accordance with the guidelines set out by the UAE Offset Program Bureau.

WHAT WE DO

With over 40 years of wire harness design experience using the majority of wiring harness systems and materials, Rockford can offer design advice for any type of environment.

Rockford-Xellerix LLC can design and manufacture cable assemblies, electro-mechanical enclosures and sub-systems to IPC 620 standards.

PEDIGREE

Customers include; BAE Systems, Lockheed Martin, Williams Fairy Hydraulics, Thales, Moog, and General Dynamics.
