

DO YOU REQUIRE NEXT-GENERATION, HIGH-PERFORMANCE FLEXIBLE CABLES SEALED TO IP68 AND HIGHER?

DO YOU NEED OFFSET?

OUR VALUE

Meeting offset requirements and mitigating your risk: environmentally sealed, high-speed cabling and electro-mechanical systems with an independent supply chain enabling standardisation of design and cost reduction.

KEY FACTS

- Interconnect
- Design
- System Solutions
- Logistics
- Offset Costs in UAE
- On-Site Global Support

DO YOU NEED RAPID PROTOTYPES?

WIRING AND ELECTRICAL ASSEMBLY

Is your supply chain for wiring harnesses, cable assemblies and electro-mechanical systems meeting your current standardisation needs?
