WHO WE ARE

Rockford is the UK's largest independent provider of wiring, interconnect & system solutions for the aerospace, defence and industrial markets.

WHAT WE DO

With over 40 years of wire harness design experience using the majority of wiring harness systems and materials, Rockford can offer design advice for any type of environment.

Our 2D HarnWare wiring harness design software outputs 2D manufacturing drawings, wiring schematics and BOMs, and with the use of HarnVis can output a 3D CAD model of the entire wire harness design or individual components.

PEDIGREE

Design customers include; BAE Systems, Lockheed Martin, Williams Fairy Hydraulics, Thales, Moog, and General Dynamics.
