

INTERCONNECT

ROCKFORD - DELIVERING GLOBAL EXCELLENCE BY DESIGN

Designing, prototyping, building and manufacturing complex environmentally sealed, compact cable assemblies and wire harnesses with a simplified system topology coupled to an open-source supply chain for platforms which require high quality with a high degree of ruggedisation.

ROCKFORD.CO.UK

ROCKFORD

WHO WE ARE

Rockford is the UK's largest independent provider of wiring, interconnect & system solutions for the aerospace, defence and industrial markets.

WHAT WE DO

With over 40 years of wire harness design experience using the majority of wiring harness systems and materials, Rockford can offer design advice for any type of environment.

Our HarnWare wiring harness design software outputs 2D manufacturing drawings, wiring schematics and BOMs, and with the use of HarnVis can output a 3D CAD model of the entire wire harness design or individual components.

PEDIGREE

Customers include; Pilatus, UTC Aerospace Systems, Airbus, Lockheed Martin, General Dynamics, CMI Defence, BAE Systems, Williams Fairy Hydraulics, Thales, and Moog.
