WHO WE ARE

Rockford is the UK's largest independent provider of wiring, interconnect & system solutions for the aerospace, defence and industrial markets.

WHAT WE DO

With over 40 years of wire harness design experience using the majority of wiring harness systems and materials, Rockford can offer design advice for any type of environment.

Rockford's UK-based logistics service helps to balance unpredictable and complicated supply chains, stock items that you must hold but don't use, and to manage low-value critically important items.

PEDIGREE

Logistics customers include; Lockheed Martin, MBDA, and BAE Systems.
